

Manchester Angels are PROUD to Announce we have added TopSoccer to our 2017 Season

What is TopSoccer??? It is a community-based training and team placement program for young athletes with disabilities, organized by the youth soccer association volunteers. This program is designed to bring the opportunity of learning and playing soccer to any boy or girl, who has a mental or physical disability.

What is Our goal???? To enable the thousands of young athletes with disabilities the opportunity to be a successful member of our soccer family.

When do we play???? Saturday Mornings from 9-10:30am

Who is going to coach my child???? We have a great group of Coaches who work with your children and who are trained to help with any disabilities.

What is this going to cost me???? \$30.00 for the season

Because our online registration system is not yet set up for TopSoccer we have to do it the old fashion way(paper), but that just means when you come in to sign your child up on March 16th from 6-8pm or March 18th from 10am-12pm at Modell's on South Willow Street you can ask any questions you may have.

Looking forward to seeing and meeting with all of your wonderful children!!

Thank you,

Maria Brown MAYSL President ~
